

WIDA Standards Overview Training

The IDOE Office of English Learning and Migrant Education would like to announce part 1 of the 2014 training to implement the WIDA English language development (ELD) standards framework for English learners. Further training, including a train the trainers workshop, will be provided at alternate dates.

Purpose: Participants will develop a foundational understanding of the WIDA standards framework to begin implementation in the local context.

Audience: A local team is recommended, such as administrators, EL staff, content area teachers, and instructional coaches. Initial registration limited to 5.

Materials: Participants will be provided WIDA materials but will need to bring or have access to the Indiana content area standards.

Cost: The registration is free; Schools may use either Title III or NESP funds for related costs such as travel (via approved grant). If needed, LEAs can submit a budget amendment for [Title III](#) or [NESP](#).

Prerequisites: Participants should view this [tutorial](#) prior to the training.

[Register Here!](#)

Please register early as space is limited at each site. If a certain training reaches capacity, more trainings might be offered.

The standards overview represents only the initial round of training; more sessions are being planned for further implementation of the WIDA standards framework.
